On Friday morning Bridget will be on the courthouse lawn at 6:30 a.m. to allow vendors to start setting up booths. Friday mornings set up is **'first come, first choice'**. The courthouse lawn completely circles the courthouse, but vendors are to only set up behind taped areas. Electricity outlets can be found on the outdoor light post positioned at the end of each staircase leading to the lawn. Please only use an outlet if you chose to pay for it and **don't forget the extension cord and bring your own tables!** The Hogskin Parade will begin at 2:00 p.m. Friday and typically the crowd will disperse shortly after. In the past, vendors start taking their booth's down around 5:00 p.m. but there is no set time.

**Saturday all vendors will be set up in a different location, this festival does require your booth to take down and move for Saturday's event. It's your choice to move your booth on Friday afternoon to its new spot for Saturday morning or it can be reassembled Saturday morning before 8-8:30am. If you choose to set up Saturday morning, we will be at the fairgrounds at 6:30am to direct traffic and make sure everyone has what they need and headed in the right direction.*

Canopies are recommended for shading purposes.

Booth assignments will be available upon arrival.

We **DO NOT** offer security, but we do have vendors that stay on the premises overnight. We've never had a report of theft and the area will be monitored by police.

If you have any further questions please call or text 870-310-5581 (preferably text), leave a message and I will return your call.

We look forward to seeing you at Hogskin Holidays!

Sincerely,

Bridget Strickland
